Add Animals on iPad Portrait:

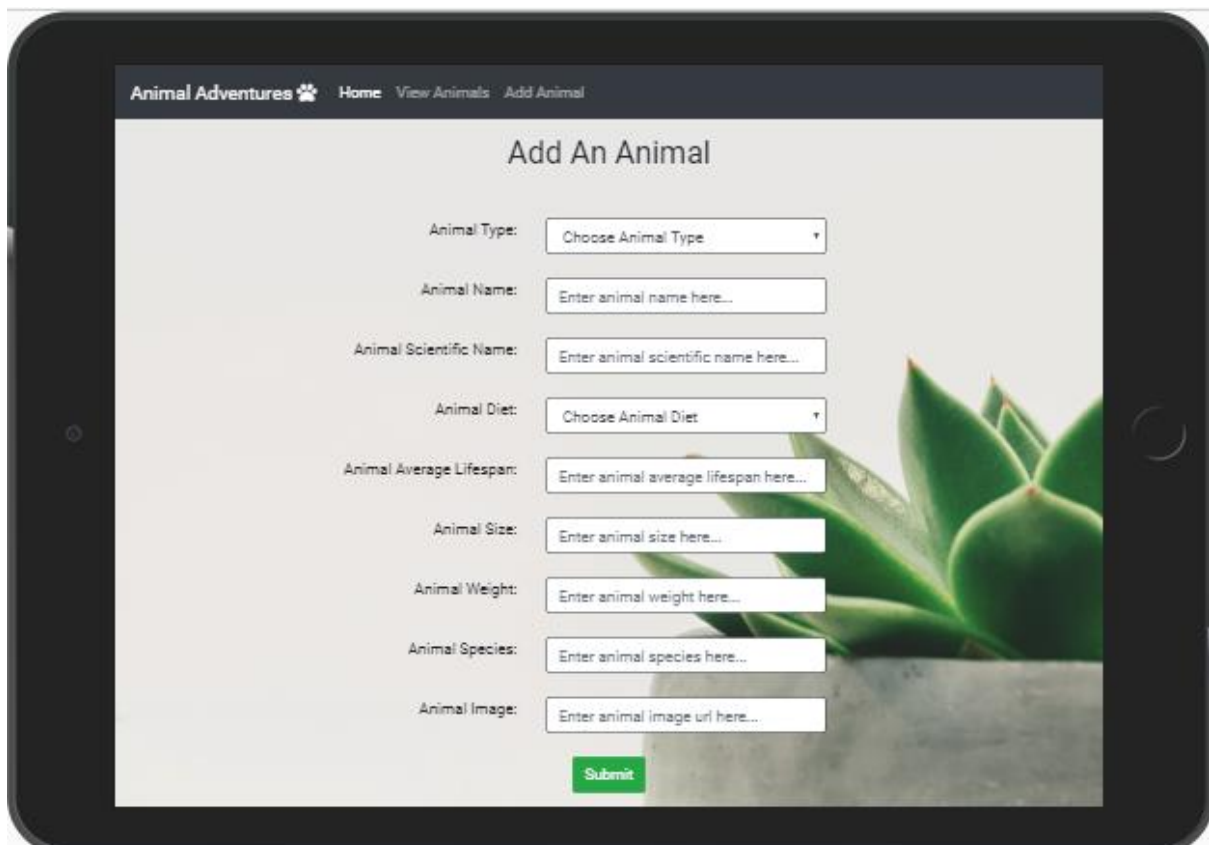

The image shows a tablet displaying a web application titled "Animal Adventures". The main heading on the screen is "Add An Animal". Below this heading is a form with the following fields:

- Animal Type: Choose Animal Type (dropdown menu)
- Animal Name: Enter animal name here...
- Animal Scientific Name: Enter animal scientific name here...
- Animal Diet: Choose Animal Diet (dropdown menu)
- Animal Average Lifespan: Enter animal average lifespan here
- Animal Size: Enter animal size here...
- Animal Weight: Enter animal weight here...
- Animal Species: Enter animal species here...
- Animal Image: Enter animal image url here...

A green "Submit" button is located below the "Animal Image" field. The background of the form area features a close-up image of a green succulent plant. At the bottom of the screen, there is a dark grey bar with the text "Follow us on social media:" and icons for Facebook, Twitter, and Instagram.

## Add Animals on Phone Portrait:

The image displays two side-by-side smartphone screens showing a mobile application interface for adding animals. The app is titled "Animal Adventures" with a paw print icon and a hamburger menu icon in the top right corner.

The main heading is "Add An Animal".

The form fields are as follows:

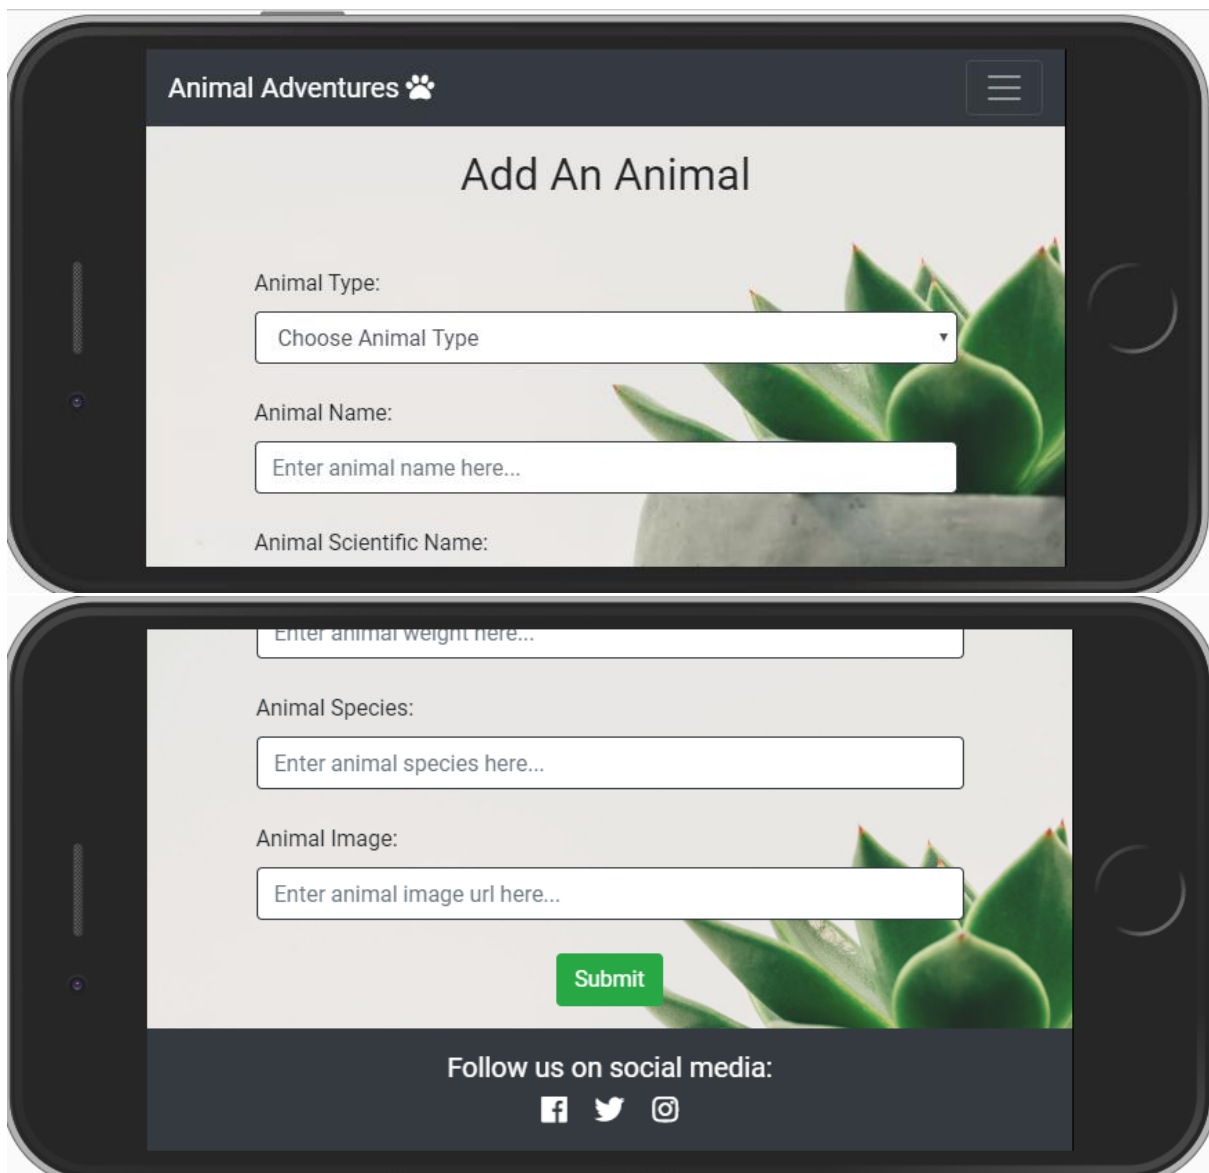

- Animal Type: Choose Animal Type (dropdown menu)
- Animal Name: Enter animal name here... (text input)
- Animal Scientific Name: Enter animal scientific name here... (text input)
- Animal Diet: Choose Animal Diet (dropdown menu)
- Animal Average Lifespan: Enter animal average lifespan here... (text input)
- Animal Size: Enter animal size here... (text input)
- Animal Weight: Enter animal weight here... (text input)
- Animal Species: Enter animal species here... (text input)
- Animal Image: Enter animal image url here... (text input)

A green "Submit" button is located below the "Animal Image" field.

At the bottom, there is a section titled "Follow us on social media:" with icons for Facebook, Twitter, and Instagram.

Add Animals on Phone Landscape:

The image displays two stacked smartphone screens showing a web application interface for adding animals. The top screen shows the header 'Animal Adventures' with a paw print icon and a hamburger menu icon. The main title is 'Add An Animal'. Below it, there are three input fields: 'Animal Type' with a dropdown menu showing 'Choose Animal Type', 'Animal Name' with a text input field containing 'Enter animal name here...', and 'Animal Scientific Name' with a text input field. The bottom screen shows the continuation of the form with 'Enter animal weight here...' and 'Animal Species' with a text input field containing 'Enter animal species here...'. Below these is 'Animal Image' with a text input field containing 'Enter animal image url here...'. A green 'Submit' button is located below the image input field. At the bottom of the screen, there is a section titled 'Follow us on social media:' with icons for Facebook, Twitter, and Instagram. The background of the form is a light gray with a green succulent plant visible on the right side.
