Add animals on iPad Portrait:

The image shows a UI design for an iPad in portrait orientation. The screen is divided into three main sections: a top header, a central content area, and a bottom footer.

- Header:** A dark grey bar at the top. On the left, it says "TITLE" in white. On the right, there is a white hamburger menu icon (three horizontal lines).
- Content Area:** A light grey background. At the top, centered, is the title "ADD AN ANIMAL" in dark grey. Below this is a form with the following fields:
 - Choose Animal Type:** A label followed by a white text input field with a dark grey dropdown arrow on the right.
 - Name:** A label followed by a white text input field with the placeholder text "ANIMAL NAME FIELD" in dark grey.
 - Diet:** A label followed by a white text input field with a dark grey dropdown arrow on the right.
 - Average Lifespan:** A label followed by a white text input field with the placeholder text "ANIMAL LIFESPAN FIELD" in dark grey.
 - Size:** A label followed by a white text input field with the placeholder text "ANIMAL SIZE FIELD" in dark grey.
 - Weight:** A label followed by a white text input field with the placeholder text "ANIMAL WEIGHT FIELD" in dark grey.
 - Image:** A label followed by a white text input field with the placeholder text "ANIMAL IMAGE FIELD" in dark grey.
 - Species:** A label followed by a white text input field with the placeholder text "ANIMAL SPECIES FIELD" in dark grey.
- Footer:** A dark grey bar at the bottom. It contains the text "FOLLOW US ON SOCIAL MED" in white, followed by three white circular icons representing social media. In the bottom right corner, there is small white text that reads "768 x 1024".

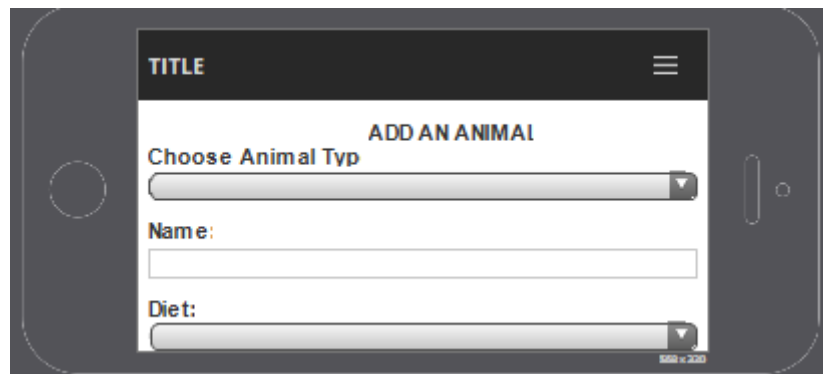

Add animals on iPhone Portrait:

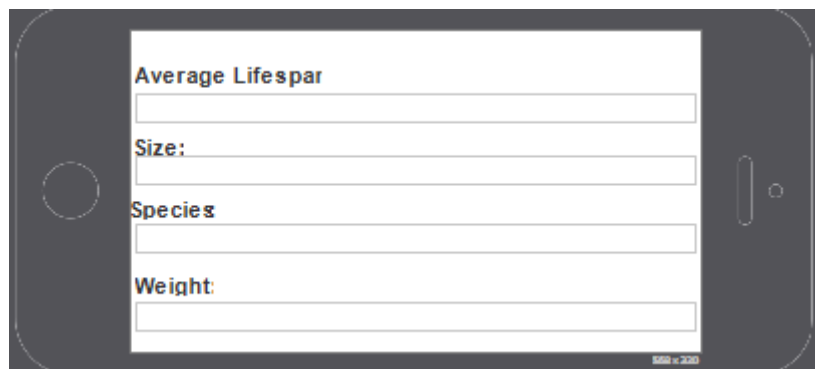

The image shows a grayscale mockup of an iPhone in portrait orientation. The screen displays a form titled "ADD AN ANIMAL" in a dark header bar. The form contains several input fields and dropdown menus, each with a label above it. The fields are arranged vertically and are currently empty. The iPhone's status bar at the top shows a signal strength indicator and a battery level indicator. The home button is visible at the bottom of the device.

Add animals on iPhone Landscape:

A mockup of an iPhone in landscape orientation displaying a form titled "ADD AN ANIMAL". The form is set against a white background with a black header bar containing the word "TITLE" and a hamburger menu icon. The form fields include a "Choose Animal Type" dropdown menu, a "Name:" text input field, and a "Diet:" dropdown menu. A small "568 x 320" resolution label is visible in the bottom right corner of the phone frame.

A mockup of an iPhone in landscape orientation displaying the continuation of the "ADD AN ANIMAL" form. The form fields include "Average Lifespan" (text input), "Size:" (text input), "Species" (text input), and "Weight:" (text input). A small "568 x 320" resolution label is visible in the bottom right corner of the phone frame.

A mockup of an iPhone in landscape orientation displaying the final part of the "ADD ANIMAL" form. It features an "Image:" text input field, a prominent red "Submit" button, and a footer section with the text "FOLLOW UZ ON SOCIAL MEDIA" and three circular icons for Facebook, Twitter, and Instagram. A small "568 x 320" resolution label is visible in the bottom right corner of the phone frame.

Edit animals on iPad Landscape:

The image shows a UI design for an iPad in landscape orientation. The screen is divided into several sections:

- Header:** A dark grey bar at the top with the word "TITLE" on the left and a hamburger menu icon on the right.
- Section Header:** "EDIT ANIMAL (ANIMAL NAME)" centered below the header.
- Image Placeholder:** A square box with a diagonal 'X' inside, indicating where an animal image should be placed.
- Form Fields:** A series of labels and input fields:
 - Name:** Labeled "Name:", followed by a text input field labeled "ANIMAL NAME FIELD".
 - Diet:** Labeled "Diet:", followed by a dropdown menu.
 - Average Lifespan:** Labeled "Average Lifespan:", followed by a text input field labeled "ANIMAL LIFESPAN FIELD".
 - Size:** Labeled "Size:", followed by a text input field labeled "ANIMAL SIZE FIELD".
 - Weight:** Labeled "Weight:", followed by a text input field labeled "ANIMAL WEIGHT FIELD".
 - Image:** Labeled "Image", followed by a text input field labeled "ANIMAL IMAGE FIELD".
 - Species:** Labeled "Species", followed by a text input field labeled "ANIMAL SPECIES FIELD".
- Update Button:** A bright green button labeled "UPDATE" centered below the form fields.
- Footer:** A dark grey bar at the bottom with the text "FOLLOW US ON SOCIAL MEDIA" and three social media icons (Facebook, Twitter, Instagram).

The entire UI is displayed within a dark grey frame representing the iPad, with a circular home button on the left side.

Edit animals on iPhone Portrait:

A mobile app screen for editing an animal profile. The screen is framed by a dark grey border representing the iPhone. At the top, there is a black header bar with the word "TITLE" on the left and a hamburger menu icon on the right. Below the header, the text "EDIT ANIMAL (ANIMAL NAME)" is centered. Underneath is a square placeholder for a profile picture, marked with a large 'X'. Below the image placeholder is a label "Choose Animal Typ" followed by a horizontal dropdown menu. This is followed by a label "Name:" and a text input field. Then a label "Diet:" and another horizontal dropdown menu. Below these are three more text input fields, each preceded by a label: "Average Lifespan", "Size:", and "Species". At the bottom right of the screen, the text "414 x 726" is visible.

A mobile app screen for updating an animal profile. The screen is framed by a dark grey border representing the iPhone. At the top, there is a black header bar with the word "TITLE" on the left and a hamburger menu icon on the right. Below the header, the text "Weight:" is followed by a text input field. Then the text "Image" is followed by another text input field. Below these is a large green button with the word "UPDATE" in white capital letters. At the bottom of the screen, there is a black footer bar with the text "FOLLOW US ON SOCIAL MEDIA" and three circular icons representing social media platforms. At the bottom right of the screen, the text "414 x 726" is visible.
